

Major MnDOT Highway Improvement Project

I-94 Minneapolis to Brooklyn Center

Jan. 24, 2017

I-94 Minneapolis to Brooklyn Center Project Schedule

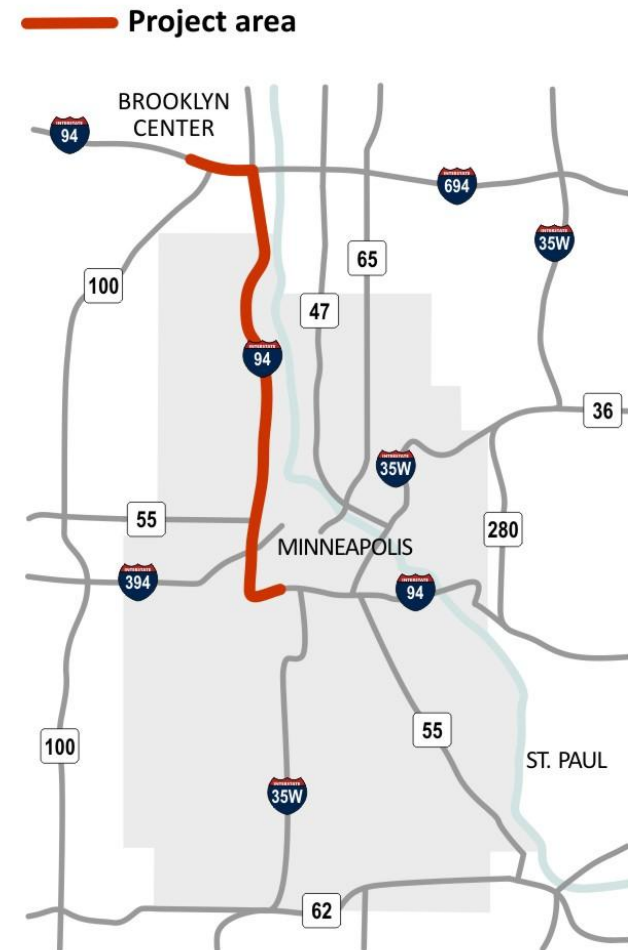

May through August 2017

- I-94 reduced to 2 lanes in each direction between Nicollet Avenue and Highway 55 for under-bridge repairs
- I-94 will be reduced to 2 (possibly 3) lanes in each direction north of Highway 55.

I-94 Minneapolis to Brooklyn Center Project Schedule

- In August, anticipated 4 weekend directional closures of I-94 (one direction closed, the other remains open) required for asphalt overlay
- Some parking under the freeway bridges will be restricted for bridge repair
- Ramp closures throughout the project area required for pavement repair. Closures expected to last 2 weeks.
- Goal is to have no 2 consecutive freeway ramps closed at the same time
- Intermittent lane closures required throughout the project

I-94 West Bridge Redeck in Brooklyn Center

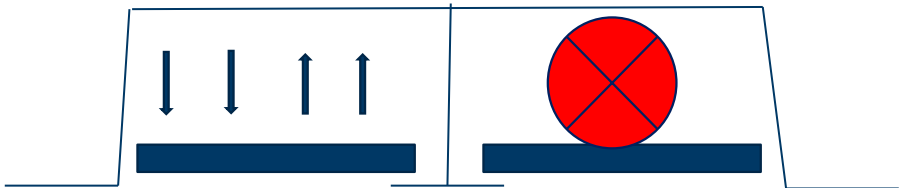

Southbound Highway 252 to Eastbound I-94 and Westbound I-694 to Eastbound I-94 roads closed for about 2 months. Traffic detoured to Highway 100.

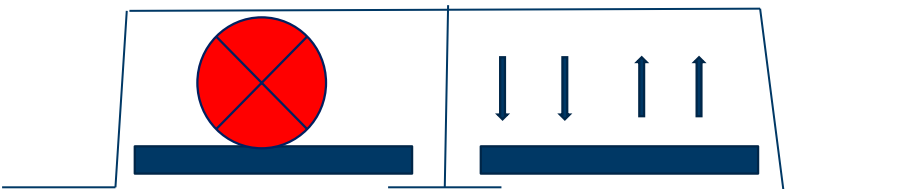

I-94 Lowry Tunnel – Staged Construction

CURRENT Lowry Tunnel traffic in both eastbound and westbound lanes

Work begins in eastbound Lowry Tunnel, traffic shifted to westbound lanes

Work begins in westbound Lowry Tunnel, traffic shifted to eastbound lanes

**Looking from the north end of the tunnel heading east*

I-94 West ramp from I-35W North Closed

Northbound I-35W to Westbound I-94 ramp will be closed during Lowry Tunnel work. Traffic will be detoured to Highway 62 to northbound Highway 100. Closure is about 70 days.
